FILING DRAWINGS

Dear Sir:

In the notice of allowability dated March 18, 1997, the examiner indicated that formal drawings must be submitted. However, formal drawings were in fact submitted with the amendment of January 13, 1997. Submission of the formal drawings was referred to in that amendment. To supplement those formal drawings, applicant presents herewith two sets of prints meeting the Patent and Trademark Office requirements. Issuance of the application is respectfully requested.

Respectfully submitted, JENSEN & PUNTIGAM, P.S.
